

Invasive Plant Control Technicians

Nupqu Resource Limited Partnership, associated with Ktunaxa Enterprises Ltd, is a growing First Nations owned business. With offices in Cranbrook, Castlegar and Fernie, BC, Nupqu conducts a wide variety of work: providing environmental, biological, archaeological, forestry, contract management and safety related consulting services to a variety of clients throughout the Ktunaxa Traditional Territory. We are currently seeking highly motivated, organized, and responsible individual to join our team in a dynamic and rewarding environment.

These positions will consist of up to full time employment managed out of the Fernie office (duration of contract will be negotiated depending on applicants' availability & contract needs). The successful candidate should look to have relevant experience and qualifications which align with the roles and responsibilities outlined below.

Roles and Responsibilities

- Inventory and control (herbicide application) of invasive plants
- Select and implement appropriate management and control practices on sites.
- Mapping inventory of invasive plants
- Collection of digital inventory and treatment data
- Daily safety documents and inspections
- Adhering to company and client policies and safe working procedures
- Regular communication with project manager and clients
- Use of best management practices for herbicide application, and proper use of equipment and safety procedures.

Qualifications

- Industrial vegetation & noxious weed control pesticide applicator certification
- Assistant applicator certification
- Plant identification
- OFA level 1
- Valid class 5 drivers License
- UTV certification
- S100
- Mine supervisor
- Software/applications/maps – IPAD, reading maps and digital data entry.

Nupqu offers highly competitive wages and benefit packages. Please submit your cover letter and resume marked "**Invasive Plant Control Technicians - Confidential**" to Pamela Way, our Human Resource Manager, at: pway@nupqu.com

DEADLINE FOR APPLICATIONS: February 29, 2024

Thank you to all those applicants that apply, however only those selected for an interview will be contacted.

Invasive Plant Control Technicians

As we continue to expand opportunities within the Nation, we encourage Ktunaxa citizens and other Indigenous peoples to identify themselves in their cover letter or resume.
